Dear Sir/Madam

We are pleased to inform you that we have set up a new section on our website ([www.sfa.ch](http://www.sfa.ch)) with information for all those interested in the partially revised Collective Investment Schemes Act:

In the CISA Center, and the sub-sections Overview, Timeline, Media, External Articles, and Presentations, you will find a wealth of valuable information on the CISA, the partial revision of which was passed by the Swiss parliament on 28 September 2012. We will be adding further items here on an ongoing basis.
